Subject: Comment re RIN 0651-AB85

To whom it may concern:

In light of the proposed amendments to rules 1.4, 1.17, 1.31, 1.32, 1.34, and 1.36, I would like to inquire whether the proposed amendments would also make private PAIR be available to individuals under limited recognition (i.e., with a new limited recognition number) as proposed? That is, may individuals with a limited recognition number be associated with a customer number?

Thank you,

Arthur.
